"In My Life" – A Musical Theater Tribute to the Beatles is the renowned musical biography of the Beatles through the eyes of their manager, Brian Epstein, and features the live music of the tribute band, **Abbey Road**. The show broke attendance records at various venues and is widely considered by industry insiders to be the most unique Beatles show in decades.

Please emphasize to your students that the show is family friendly. Please feel free to distribute flyers to students during class or parents at Back-to-School Night. Proceeds from this concert will benefit all students in our District. Please help us "fill the house."
